

# Over the Rainbow

Frank Sinatra

Somewhere, over the rainbow  
Way up high  
There's a land that I heard of  
Once in a lullaby

Somewhere, over the rainbow  
Skies are blue  
And the dreams that you dare to dream  
Really do come true

Some day I'll wish upon a star and wake up  
Where the clouds are far behind me  
Where trouble melt like lemon drops away above  
The chimney tops, that's where you'll find me

Somewhere, over the rainbow  
Blue birds fly  
Birds fly over the rainbow  
Why then oh why can't I?

When all the world is a hopeless jumble  
And the raindrops tumble all around  
Heaven opens a magic lane to a place behind the sun  
Just a step behind the rain

Somewhere, over the rainbow  
Blue birds fly  
Birds fly over the rainbow  
Why then, oh why can't I?

If happy little blue birds fly beyond the rainbow  
Why, oh why can't I?
