

Pretty Colors

Frank Sinatra

I close my eyes and just see pretty colors,
They're dancing just for me, pretty colors (pretty colors)
Locked in my mind they'll always be,
You'll never give your love to me,
So I'll just close my eyes and just see pretty colors (pretty colors).
Locked in my mind they'll always be,
You'll never give your love to me,
So I'll just close my eyes and just see pretty colors (pretty colors)
Pretty colors (pretty colors), pretty colors.
