

# Reaching for the Moon

**Frank Sinatra**

The moon and you appear to be so near and yet so far from me,  
And here am I, on a night in June, reaching for the moon and you.

I wonder if we'll ever meet, my song of love is incomplete,  
I'm just the words, looking for the tune, reaching for the moon  
and you.

[musical interlude]

I wonder if we'll ever meet, my song of love is incomplete,  
I'm just the words, looking for the tune, reaching for the moon  
and you.
