Frank Sinatra

One little kiss, a moment of bliss, then hours of deep regret One little smile, and after a while, a longing to forget One little heartache left as a token One little plaything carelessly broken

Remember the night
The night you said, "I love you"
Remember?

Remember you vowed
By all the stars above you
Remember?

Remember we found a lonely spot And after I learned to care a lot

You promised that you'd forget me not But you forgot To remember

Into my dreams you wandered it seems, and then there came a day You loved me too, my dreams had come true, and all the world was May

But soon the Maytime turned to December You had forgotten, do you remember?
