

## Sand and Sea

Frank Sinatra

Sand and sea, sea and sand  
And the warm bright sun up there above  
Summer days, happy days  
With my love

Sand and sea, sea and sand  
Hear the wings in flight of the lovely dove  
Summer nights, happy nights  
We were makin' love

The blinking stars are dancing on the whitecaps  
Crazy stars, they've had too many nightcaps  
I touch your hand, the hand that lies beside me  
Paradise can't be far if you'll guide me

Sand and sea, sea and sand  
And the angels sing from above  
Happy days, hey, happy nights  
Makin' love

Sand and sea, sea and sand  
And the angels sing from above  
Happy days, happy nights  
Makin' love

We're in love  
Oooh-oooh makin' love

[Fade]

Sand and sea
