## Sand and Sea

## **Frank Sinatra**

Sand and sea, sea and sand And the warm bright sun up there above Summer days, happy days With my love

Sand and sea, sea and sand Hear the wings in flight of the lovely dove Summer nights, happy nights We were makin' love

The blinking stars are dancing on the whitecaps Crazy stars, they've had too many nightcaps I touch your hand, the hand that lies beside me Paradise can't be far if you'll guide me

Sand and sea, sea and sand And the angels sing from above Happy days, hey, happy nights Makin' love

Sand and sea, sea and sand And the angels sing from above Happy days, happy nights Makin' love

We're in love Oooh-oooh makin' love

[Fade]

Sand and sea Sea and sand
