

Strangers In The Night

Frank Sinatra

Strangers in the night exchanging glances
Wondering in the night
What were the chances we'd be sharing love
Before the night was through

Something in your eyes was so inviting
Something in your smile was so exciting
Something in my heart told me I must have you

Strangers in the night, two lonely people
We were strangers in the night
Up to the moment when we said our first hello

Little did we know
Love was just a glance away
A warm embracing dance away

And ever since that night we've been together
Lovers at first sight, in love forever
It turned out so right for strangers in the night

Love was just a glance away
A warm embracing dance away

Ever since that night we've been together
Lovers at first sight, in love forever
It turned out so right for strangers in the night
