

Tell Her (You Love Her Each Day)

Frank Sinatra

(Tell her you love her) each day
You'll make her happy that way
A simple "I love you" means more than money
And, with a kiss or two her life is sunny

Give her a reason to live
She needs the love that you give
Always remember that is what she lives for
She hopes you love her
Tell her you love her
Tell her you love her today

(Give her a reason to live)
(She needs the love that you give)
Always remember that is what she lives for
She hopes you love her
Tell her you love her
Tell her you love her today
