That Old Feeling

Frank Sinatra

I saw you last night and got that old feeling When you came in sight, I got that old feeling The moment that you danced by I felt a thrill And when you caught my eye my heart stood still

Once again I seemed to feel that old yearning Then I knew the spark of love was still burning There'll be no new romance for me, it's foolish to start 'Cause that old feeling is still in my heart

There'll be no new romance for me, it's foolish to start 'Cause that old feeling is still in my heart
