

## There Used to Be a Ballpark

Frank Sinatra

"Oh, there used to be a ball park  
where the field was warm and green,  
and the people played a crazy game  
with a joy I've never seen.

How the people watched with wonder,  
how they laughed and how they cheered  
Yes, there used to be a ball park....  
right here....

And the people ate rock candy  
on a great big 4th of July  
and the fireworks exploded  
all across the summer sky.

And the air was filled with wonder  
from the hot dogs and the beer  
Yes, there used to be a ball park...  
right here....

Now the children try to find it,  
and they can't believe their eyes  
For the old team isn't playing,  
and the new team hardly tries

And the sky has gotten cloudy  
when it used to be so clear  
and the summer....went so quickly...  
this year....

Yes, there used to be a ball park...  
right here....
