This Is All I Ask

Frank Sinatra

As I approach the prime of my life, I find I have the time of m y life $\$

Learning to enjoy at my leisure all the simple pleasures And so I happily concede

That this is all I ask, this is all I need

Beautiful girls, walk a little slower when you walk by me Lingering sunsets, stay a little longer with the lonely sea Children everywhere, when you shoot at bad men, shoot at me Take me to that strange, enchanted land grown-ups seldom understand

Wandering rainbows, leave a bit of color for my heart to own Stars in the sky, make my wish come true before the night has f lown

And let the music play as long as there's a song to sing Then I will stay younger than Spring
