

Why Should I Cry Over You

Frank Sinatra

I don't know, why I should cry over you
Sigh over you, even be blue
I should have known that you'd leave me alone
And break my heart in two

Although you have left me, alone, to pine
And all of my love was a waste of time
Someday your heart will be broken, like mine
So, why should I cry over you

Although you have left me, alone, to pine
And all of my love was a big fat waste of time
Someday your heart will be broken, like mine
So, why should I cry over you

You broke my heart, you took it apart
So pack up your baggage and beat it
Why should I cry over you
