

Ya Better Stop

Frank Sinatra

If our affair is going to fold, ya better stop, ya better stop
rehearsing,
Your act of love is getting bold, ya better stop, ya better stop.
The pace is more than I can take, ya better stop, ya better stop
rehearsing,
Apply the pressure to the brake, ya better stop, ya better stop
. .
I've a notion you've gone too far, stop a'wishing my submission
,
Just turn the key and kill your ignition.
Unless the show is going on, ya better stop, ya better stop.
rehearsing.
Before my self-
control is gone, ya better stop, ya better stop right now.
If our romance is gonna flop, ya better stop, ya better stop re-
hearsing
I'm just about to blow my top, ya better stop, ya better stop.
Unless you plan to do the show, ya better stop, ya better stop
rehearsing.
Why don't ya tell me yes or no, ya better stop, ya better stop.
I'm no novice at this making love, in a sly way, try it my way,
Why don't you get the show on the highway.
Unless the curtains gonna rise, ya better stop, ya better stop
rehearsing,
Without the teasing with your eyes, ya better stop, ya better stop
right now,
Until ya say that you'll become my wife, and the cast of two is
gonna run for life,
Ya better stop, ya better stop breaking my heart.
