

# You Do Something to Me

Frank Sinatra

You do something to me  
Something that simply mystifies me  
Tell me, why should it be  
You have the power to hypnotize me?

Let me live 'neath your spell  
Do do that voodoo that you do so well  
'Cause you do something to me  
That nobody else could do

You do something to me  
Something that simply mystifies me  
Tell me, why should it be  
You got the power to hypnotize me?

Let me live 'neath your spell  
Do do that voodoo that you do so well  
'Cause you do something to me  
That nobody else can do  
That no one else in the world can do
