

You Make Me Feel So Young

Frank Sinatra

You make me feel so young
You make me feel like spring has sprung
Every time I see you grin
I'm such a happy an individual

The moment that you speak
I want to run and play hide-and-seek
I want to go and bounce the moon
Just like a big toy balloon

You and I, we are just like a couple of tots
Running along the meadow
Snatching up all those forget to be notes

You make me feel so young
You make me feel there are songs to be sung
Bells to be rung and a wonderful spring to be sprung

And even when I'm old and gray
I'm gonna feel the way I do today
'Cause you make me feel so young

You make me young
You make me feel spring sprung
Every time I see you grin
I'm such a happy individual

The moment that you speak
I want to run and play hide-and-seek
I'd like to go and bounce the moon
Just like a big balloon

People eye for you and I
We are just like a couple of tots
Crashing along the meadow
Open up all those forget to be notes

You make me young
You make me feel there are songs to be sung
And the bells to be rung
And a wonderful thing to be done

Yeah and even when I'm old and gray
I'm gonna feel the way I do today
'Cause you make me feel so, yeah when I feel so
You make feel so young today, you make feel so young
