

# You Make Me Feel So Young

Frank Sinatra

You make me feel so young  
You make me feel like spring has sprung  
Every time I see you grin  
I'm such a happy an individual

The moment that you speak  
I want to run and play hide-and-peek  
I want to go and bounce the moon  
Just like a big toy balloon

You and I, we are just like a couple of tots  
Running along the meadow  
Snatching up all those forget to be nots

You make me feel so young  
You make me feel there are songs to be sung  
Bells to be rung and a wonderful spring to be sprung

And even when I'm old and gray  
I'm gonna feel the way I do today  
'Cause you make me feel so young

You make me young  
You make me feel spring sprung  
Every time I see you grin  
I'm such a happy individual

The moment that you speak  
I want to run and play hide-and-peek  
I'd like to go and bounce the moon  
Just like a big balloon

People eye for you and I  
We are just like a couple of tots  
Crashing along the meadow  
Open up all those forget to be nots

You make me young  
You make me feel there are songs to be sung  
And the bells to be rung  
And a wonderful thing to be done

Yeah and even when I'm old and gray  
I'm gonna feel the way I do today  
'Cause you make me feel so, yeah when I feel so  
You make feel so young today, you make feel so young
