

# You're Gonna Hear from Me

Frank Sinatra

Move over, sun, and give me some sky  
I got me some wings I'm eager to try  
I may be unknown but wait till I've flown  
You're gonna hear from me

Make me some room, you people up there  
On top of the world, I'll meet you, I swear  
I'm stakin' my claim, so remember my name  
You're gonna hear from me

[BRIDGE:]

Fortune, smile on the road before me  
I am fortune's child  
Listen, world, you can't ignore me

I've got a song that longs to be played  
Raise up my flag, begin my parade  
Then watch the world over start comin' up Clover  
That's how it's gonna be

[Instrumental-bridge]

I've got a song that longs to be played  
Raise up my flag, begin my parade  
Then watch the world over start comin' up Clover  
That's how it's gonna be, watch me  
You're gonna hear, you're gonna hear from me
