

# Don't Worry

Frank Turner

Don't worry if you don't know what to do  
I've spent a little time in worried shoes  
I wore them out through walking  
It wasn't any use  
Don't worry if you don't know what to do

Don't give up if you just can't get your way  
Don't listen to the bitter things they say  
Put those thoughts behind you  
Tomorrow's a new day  
Don't give up if you just can't get your way

Life hurts  
And love will burn  
Don't we wish it weren't that way  
And if it  
Falls to bits  
You should fix it  
Don't throw it away

Don't let your heart get hardened into stone  
Or lose yourself in looking at your phone  
So many so-called friends  
And still you feel alone  
You should spend more time with the do's than with the don'ts

Life hurts  
And love will burn  
Don't we wish it weren't that way  
When you  
Can't pull through  
I will help you  
I won't push you away

Don't worry if you don't know what to do  
Don't worry if you don't know what to do  
Don't worry if you don't know what to do  
Don't worry if you don't know what to do  
I don't know what I'm doing  
No-one has a clue  
But you'll figure it out  
And I might too
