

Anything

Frank Zappa

For you, I could do anything
For your love, my heart cries
Take my heart, my love my everything
For so long I have needed your love

Oh, when, when you first came to me
I-I-I-I-I doubted your love
But now you mean everything to me
And each day I love you more

For you, I could do anything
For your love, my heart cries
Take me heart, my love, my everything
For so love, I've needed your love

Take my heart, take my heart
Take my heart
