

# Call Any Vegetable

Frank Zappa

Cheesy, cheesy!

(This is a song about vegetables . . . they keep you regular; they're real good for ya.)

Call any vegetable  
(Call any vegetable)  
Call it by name  
(Call any vegetable)  
Call one today  
(Call any vegetable)  
When you get off the train  
(Call any vegetable)  
Call any vegetable  
And the chances are good  
Ooooh! The vegetable  
Will respond to you

(Some people don't go for prunes . . . I dunno . . . I've always found that if they . . . )

Call any vegetable  
(Call any vegetable)  
Pick up your phone  
(Call any vegetable)  
Think of a vegetable  
(Call any vegetable)  
Lonely at home  
(Call any vegetable)  
Call any vegetable  
And the chances are good  
That a vegetable will respond to you-hoooo

RUTA-BAY-AY-AYGA RUTA-BAY-AY-AYGA  
RUTA-BAY-AY-AYGA RUTA-BAY-AY-AYGA  
RUTA-BAYYYYY . . .

(A prune isn't really a vegetable. Cabbage is a vegetable.)

No one will know  
If you don't want to let 'em know  
No one will know  
'Less it's you that might tell 'em so  
Call and they'll come to you  
Covered with dew  
Vegetables dream  
Of responding to you  
Standing there  
Shiny & proud by your side  
Holding your hand  
While the neighbors decide  
Why is a vegetable  
Something to hide?  
YAR-R-R-R-R-G-H!
