

## Dew on the Newts We Got

Frank Zappa

Dew  
On the newts we got  
Newt money dew  
It's a payment on the rental for the dewy little  
Newts we got  
We got 'em dewy  
Left 'em in the yard all night  
Hope they didn't get uptight  
The little vixens  
The saucy little vixens  
I hope they didn't get pissed off  
I hope  
That they did not  
Did not  
I hope  
That they did not  
Dash off  
Into the night
