

Dew on the Newts We Got

Frank Zappa

Dew
On the newts we got
Newt money dew
It's a payment on the rental for the dewy little
Newts we got
We got 'em dewy
Left 'em in the yard all night
Hope they didn't get uptight
The little vixens
The saucy little vixens
I hope they didn't get pissed off
I hope
That they did not
Did not
I hope
That they did not
Dash off
Into the night
