

Don't Take Me Down

Frank Zappa

Dick: (Snorks)

Howard: 'Not duke, not queen, but king.' You haven't lost your touch, Gnarler, you can snort with the best of 'em

Mark: This guy said that a couple of guys have broken in the doors and shit

Howard: Oh, great, a riot! Just like Berlin!

Mark: They broke indoors 'cause there is a hassle about the bread or something, the money

?: Can I carry your brief?

Mark: No, thanks

?: No?

Howard: Can I brief your carry?

Mark: I'll do it

Howard: Really! Would you be my wife for an hour?

Howard: Right on! Right on!

(Opening Act: Thank you very much)

Howard: Right on!

(Opening Act: That's right, don't take me down. Don't do it)

Howard: Don't do it! Don't take me down! I don't wanna go down no more!
