

# I'm So Happy I Could Cry

Frank Zappa

Going back again to see that girl  
I left behind me when I went out  
To see this great big world  
I hope that she feels the same about me  
As she did before I went out  
To see this great big world  
I know I love that girl  
And I hope that she still wants me to be  
Her one and only guy  
Going back to see that girl I love  
And I'm so happy I could cry

Going back to take her in my arms again  
And tell her that I'm not  
Gonna leave her anymore  
I love her so much  
I just can't wait until I touch  
Her and I'm not gonna leave her anymore  
I know I love that girl  
And I hope that she still wants me to be  
Her one and only guy  
Going back to see that girl I love  
And I'm so happy I could cry

I'm looking forward to that day  
When she will love me in her way  
All day long I sit and pray  
Someday soon I'll hear her say

Looking forward to that day  
When she will love me in her way  
All day long I sit and pray  
Someday soon I'll hear her say

You have been away so long  
I missed you so much since you've gone  
And now you are standing at my door  
I love you so much  
I just can't wait until I touch  
You, dear, and now you are standing at my door  
Please, let me take you in my arms  
And squeeze you, baby, and don't mind  
The tear that's in my eye  
'Cause, darling, you've come back with me  
I'm so happy I could cry  
I'm so happy I could cry  
I'm so happy I could cry
