

# Jelly Roll Gum Drop

Frank Zappa

Jelly Roll Gum Drop, got my eyes on you  
Baby don't you know now  
Jelly Roll Gum Drop, got my eyes on you  
The way you do the bop  
Like a spinnin' top  
The Pachuco Hop  
And the L.A. Slop  
You make a street car stop  
At the soda shop  
And my eye-balls pop  
When I see my  
Jelly Roll Gum Drop, got my eyes on you  
Mama don't you know now  
Jelly Roll Gum Drop, got my eyes on you  
The way you boogie all night  
You're my heart's delight  
You know I wish I might  
Get a tiny bite of your  
Jelly Roll Gum Drop, I wanna, I wanna  
Jelly Roll Gum Drop, I wanna, I wanna  
Jelly Roll Gum Drop, I wanna, I wanna Jelly Roll  
Bop bop bah, Bop bop bah  
Bop bop bah, Bop bop bah  
Sha-la-la-la, Sha-la-la-la  
(Cough, cough, cough)

Jelly Roll Gum Drop, got my eyes on you  
Baby don't you know now  
Jelly Roll Gum Drop, got my eyes on you  
The way you do the bop  
Like a spinnin' top  
The Pachuco Hop  
And the L.A. Slop  
You make a street car stop  
At the soda shop  
And my eye-balls pop  
When I see my  
Jelly Roll Gum Drop, got my eyes on you  
Mama don't you know now  
Jelly Roll Gum Drop, got my eyes on you  
The way you boogie all night  
You're my heart's delight  
You know I wish I might  
Get a tiny bite of your  
Jelly Roll Gum Drop, I wanna, I wanna  
Jelly Roll Gum Drop, I wanna, I wanna
