

Jesse Lee

Frank Zappa

Jessie Lee, Jessie Lee,
Girl, you're so fine.
C'mon, pretty baby,
Say that you'll be mine.

Jessie Lee, Jessie Lee,
C'mon, take my love.
You know, it's you, pretty baby,
That I'm thinking of.

You know, I love to watch you, Baby,
When you walk.
An' I love to watch you, Baby,
When you talk.
You can treat me mean.
You can treat me cruel.
Tell your friends I was a fool.

But, Jessie Lee, Jessie Lee,
You know I love you still.
Please let me love you.
Please say you will.
Hey-hey-hey-hey, Hey-yeah
