

# Jumbo Go Away

Frank Zappa

Jumbo, go away  
Jumbo, go away  
Jumbo leave me alone  
Get your head off my bone  
I wanna go home  
("I'm hungry")

Jumbo lighten up  
Jumbo lighten up  
Jumbo give me a break  
Lighten up on my snake  
That's all I can take  
(Robbie take me to Greek Town!)

It seems I can't explain  
The way I feel about you  
You just don't understand  
You're from Kalamazoo...

You got to realize  
Our little romance deal  
Will not materialize  
Into a thing that you'd call REAL...  
(I think I have worms...)

Jumbo gotta go  
Jumbo gotta go  
Jumbo better get back  
Or your eye will get black  
When I give you a smack  
(Boo-hoo-hoo...)

Jumbo don't you cry  
Jumbo don't you cry  
Jumbo this is good-bye  
I ain't gonna lie  
So wash up your pie

Wash up your pie  
(There are three things that smell like  
fish!)

Wash up your pie  
(One of them is fish...)

Wash up your pie  
(The other two...)

Wash up your pie  
(Are growing on you...)
