

# Keep It Greasy

Frank Zappa

Keep it greasey so it'll go down easy  
Keep it greasey so it'll go down easy  
Keep it greasey so it'll go down easy

Roll it over 'n grease it down  
I'll drive you through the heart of town

Keep it greasey so it'll go down easy  
Keep it greasey so it'll go down easy  
Keep it greasey so it'll go down easy

Roll it over 'n grease it down  
I'll drive you through the heart of town

Good women, they sure has it tough  
Good men, well there just ain't enough  
Good girls are lookin' all the time  
Good men is something that they can't find  
If they find one miraculously  
They try to be lovin' as they can be  
'Cause if they find one and let him go  
Chances are they might not never find no mo'

So they keep it greasey so it'll go down easy  
Keep it greasey so it'll go down easy  
Keep it greasey so it'll go down easy

Roll it over 'n grease it down  
I'll drive you through the heart of town

Grease it down  
Grease it down  
(Gimme some grease!)  
Grease it down  
(Please!)  
Grease it down  
Grease it down  
(I want some grease, baby)  
Grease it down  
Grease it down  
Grease it . . .

A good lovin' man is hardest to find  
A good woman needs to ease her mind  
I know a few that need to ease it behind  
All y'gotta do is grease it down  
'N everything is fine

Keep it greasey so it'll go down easy  
Keep it greasey so it'll go down easy  
Keep it greasey so it'll go down easy

Roll it over 'n grease it down  
I'll drive you through the heart of town

A girl don't need  
No fancy grease

To get herself  
Some rump release  
Any kind  
Of lube'll do  
Maybe from another  
Part of you  
Lube from the North  
Lube from the South  
Take a little slobber  
(Take a little slobber!)  
From the side of your mouth  
Roll it over  
Grease it down  
Here come that crazy  
Screamin' sound . . .

Keep it greasy so it'll go down easy  
Keep it greasy so it'll go down easy  
Keep it greasy so it'll go down easy  
Roll it over 'n grease it down  
I'll drive you  
I said I would drive you  
I said I was gonna drive you  
All the way how-hown

[FZ:] Napoleon Murphy Brock on tenor sax and lead vocals, Andre Lewis on key boards, Terry Bozzio on drums, Roy Estrada on bass, thanks for coming to the concert, good night!
