

More Trouble Every Day

Frank Zappa

Well I'm about to get sick
From watchin' my TV
Been checkin' out the news
Till my eyeballs fail to see
I mean to say that every day
Is just another rotten mess
(Sure 'nuff!)

And when it's gonna change, my friend
Is anybody's guess (Well!) (Woa!)

So I'm
Watchin' and I'm a-waitin'
I'm hopin' for the best
Even think I'll go to prayin'
Every time I hear 'em sayin'
There's no way to delay
That trouble comin' every day
There's no way to delay
That trouble comin' every day

Wednesday I watched the riot
I seen the cops out on the street
I watched 'em throwin' rocks & stuff & chokin'
In the heat
I listen to reports
'Bout the whisky passin' around
I seen the smoke & fire
And the market burnin' down
I watched while everybody
On his street would take a turn
To stomp & smash & bash & crash & slash & bust & burn
I'm a-watchin' and I'm a-waitin'
But I'm hopin' for the best
Even think I'll go to prayin'
Every time I hear 'em sayin'
There's no way to delay
That trouble comin' every day
There's no way to delay
That trouble comin' every day

Watchin' and I'm a-waitin'
I'm hopin' for the best
Even think I'll go to prayin'
Every time I hear 'em sayin', oh, yeah . . .
