

# Motherly Love

Frank Zappa

Motherly love  
Motherly love  
Forget about  
The brotherly and other-ly love

Motherly love  
Is just the thing for you  
You know your Mothers' gonna love ya  
Till ya don't know what to do

The Mothers got love  
That'll drive ya mad  
They're ravin' 'bout the way we do  
No need to feel lonely . . .  
No need to feel sad,  
If we ever get a hold on you  
What you need is . . .

Motherly love  
(Come on, get it now)  
Motherly love  
Forget about  
The brotherly and other-ly love  
Motherly love  
Is just the thing for you  
You know your Mothers' gonna love ya  
Till ya don't know what to do

Nature's been good  
To this here band  
Don't ever think we're shy  
Send us up some little groupies  
And we'll take their hands  
And rock 'em till they sweat and cry  
What you need is . . .

Motherly love  
(Get it now)  
Motherly love  
Forget about  
The brotherly and other-ly love  
Motherly love  
Is just the thing for you  
You know your Mothers' gonna love ya  
Till ya don't know what to do

We can love ya  
Till ya have a heart attack  
You'd best believe that's true  
We'll bite your neck  
And scratch your back  
Till you don't know what to do  
What you need is . . .

Motherly love  
Motherly love  
Forget about

The brotherly and other-ly love  
Motherly love  
Is just the thing for you  
You know your Mothers' gonna love ya  
Till ya don't know what to do

You know I've got a little motherly love for you baby, yeah  
You know I've got a little motherly love for you honey, yeah  
You know it doesn't bother me at all  
That you're only eighteen years old  
'Cause I got a little motherly love for you baby
