Louis: How did you get in my home? This is my piano. How did you get in here?

Motorhead: I thought it was my piano.

Louis: It's mine.

Roy: Since when?

Louis: Since about 10 years ago its mine.

Roy: You sure?

Louis: Yes, positively.

Roy: No, it was mine.

Louis: This is a small place, you must be blind you know.

Motorhead: Where were you at?

Roy: Could have been one nine . . . No, it couldn't have been one-nine-oh . . .

Louis: It couldn't have been any more . . . How about try, just try 'G' . . .

Roy: How did you happen to get in here?

Louis: My mother said to me "You're a bad boy, Louis the Turkey . You'd better, you'd you you you'd better go on 'E' and stay on 'E' and you'll never see the world . . . you're a bad boy 'cause you went to the bathroom on the floor!" you know?
