

## Poofter's Froth Wyoming Plans Ahead

Frank Zappa

Poofter's Froth, Wyoming  
March Eleven Sixty-Seven  
Take a letter  
Miss Abetter  
As our pigeons  
Will be homing

To our jobbers in Dakota  
And to Merwyn, Minnesota  
This is merely just a note about  
Performance to our quota

Well, we all come out  
To show dem  
An' the Elks have helped us  
Load 'em  
Little packets full of jackets  
Little rackets, little rackets

Little Poofter - Cloth Appointments  
Little Poofter's Froth Anointments  
Little hoods, little goods,  
Little doo-dads from the woods  
The entire stock is shipping  
Oh our shod is hardly slipping  
To the markets of the world  
Our wrinkled pennants are unfurled!

T-shirt racks, rubber snacks,  
Poster rolls with matching tacks  
Yes, a special beer for sports  
(and paper cups that hold two quarts)

Everything a nation needs  
For making hoopla while it feeds  
The trash compactors, small reactors,  
Mowers, blowers, throwers & the glowers:

This is Buy-Cent-Any-All Salute (HYULK!)  
Two hundred years have gone ka-poot!  
Ah but we have been astute!  
Signed: Anon. - Wyo. Galoot!
