

Ring of Fire

Frank Zappa

Love is a burning thing
(That's right)
And it leaves a fiery ring
(That's a firey ring)
I was captured by pure desire
(That's right)
I fell into a ring of fire
(Ow! Ow! Ow!)

I fell into a burning ring of fire
I fell down down down
And the flames licked up higher
And it burns burns burns
That ring of fire
That ring of fire
("It's hot")

Love
("It's hot")
Is a burning thing
(That's right, it's the same verse again)
And it makes a fiery ring
(It's one way of learning English)
(Senator Hawkins: Pyromania)
I was captured by pure desire
(Pure desire)
I fell into that burning ring of fire
(Ow! Ow! Ow!)

I fell into that burning ring of fire
(Johnny'll never know what he missed)
I fell down down down
And those flames licked up higher
And it burns burns burns
That ring of fire
That ring of fire
That ring of fire
That ring of fire
That ring of fire
