

Sharleena

Frank Zappa

Ooohs and Aaahs

1. I'm cryin' I'm cryin'
Cryin' for Sharleena, can't you see
I called up all my baby's friends 'n' asked them
Where she done went
But nobody 'round here seems to know
Where my Sharleena's been where my Sharleena's been

2. = 1.

Ten long years I have been lovin' her
Ten long years and I thought deep down in my heart, she was
mine
Ten long years I been lovin' her
Ten long years I would call her my baby, and now, I'm always
cryin'

|: I would be so delighted, I would be so delighted
If they would just, send her on home to me. :|

Send my baby home to me
