

Sharleena

Frank Zappa

Ooohs and Aaahs

1. I'm cryin' I'm cryin'

Cryin' for Sharleena, can't you see

I called up all my baby's friends 'n' asked them

Where she done went

But nobody 'round here seems to know

Where my Sharleena's been where my Sharleena's been

2. = 1.

Ten long years I have been lovin' her

Ten long years and I thought deep down in my heart, she was
mine

Ten long years I been lovin' her

Ten long years I would call her my baby, and now, I'm always
cryin'

|: I would be so delighted, I would be so delighted

If they would just, send her on home to me. :|
