

# Stevie's Spanking

Frank Zappa

His name is Stevie Vai,  
And he's a crazy guy  
Last November, I recall,  
He needed a spanking

He decided then  
A female specimen  
Would be exciting for a night  
To give him a spanking

Laurel was her name  
She came to Notre Dame  
He told me just the other night  
He oughta be thanking  
Her for the spanking

She was large and soft  
And she beat him off  
Made him drool upon his dork  
And gave it a wanking  
After the spanking

Hair brush!  
Oh! What a hair brush!

Then did she exclaim:  
"There's another game  
That we can play with this device,  
And then a banana!"

It was slightly green  
Vapors in between  
Rising up to fill the room  
And COOK the banana

Later in the dawn,  
Laurel carried on  
Got right up and dressed herself and  
Ate the banana
