

Sy Borg

Frank Zappa

Joe:

Sy Borg

Gimme dat, gimme dat

Sy Borg

Gimme dat, give me the chromium leg,

I beg

Sy Borg

Gimme dat, gimme dat

Sy Borg

Gimme dat, give me the chromium leg,

Little wires, pliers, tires

They turn me on

Maybe I'm crazy

Maybe I'm crazy

Maybe I'm crazy, mon . . .

Gee, Sy

This is a real groovy apartment

You've got here

Sy Borg:

All government sponsored recreational services are clean and efficient

Joe:

This is exciting

I never plooked

A tiny chrome-plated machine

That looks like a magical pig

With marital aids stuck all over it

Such as yourself before

Sy Borg:

You'll love it!

It's a way of life.

Joe:

Does that mean maybe later

You'll plook me . . .

Sy Borg:

If you wish, we may have a groovy orgy

Joe:

Just me and you?

Sy Borg:

I share this apartment

With a modified

Gay Bob doll

He goes all the way . . .

Ever try oral sex with a miniature rubberized homo-replica?

Joe:

No, ah, not yet

Ah, is this him?

Central Scrutinizer:

This is him.
Your wish is his command
He likes you
He wants to kiss you always
Just tell him what you want

Joe:
Really?
Hi, little guy
Think I might get a tiny, but exciting
Blow . . . job . . .
Gimme dat, gimme dat
Blow job . . .
Gimme dat, give me de chromium cob.

Sy Borg:
Bend over.

Joe:
Gay Bob
Blow job
Gimme dat, gimme dat
Blow job
Gimme dat, give me de chromium cob

Sy Borg:
You'll love it!
It looks just like a TeleFunken you-47.

Joe:
Little leather cap and trousers
They look so gay . . .
Warren just bought some
Warren just bought some
Warren just bought some
Hey . . .

Sy Borg:
Bob is tired.
Plook me now,
You savage rascal
Ehhh! That tickles.
You are a fun person
I like you.
I want to kiss you always.

Joe:
Gee, this is great
How's about some bondage and humiliation?

Sy Borg:
Anything you say, master.

Joe:
Oh no, I don't believe it
You're way more fun than Mary . . .

Sy Borg:
You're plooking too hard . . .

Joe:
And cleaner than Lucille . . .

Sy Borg:
Plooming on me . . .

Joe:
What have I been missing
All these years?

Sy Borg:
Too hard

Joe:
Sy . . .

Sy Borg:
Too hard

Joe:
Sy . . .

Sy Borg:
Plooming too hard on me-e-e-e-e . . .

Joe:
Speak to me
Oh no . . .
The golden shower must have shorted out
His master circuit
He's, he's, oh my God
I must have ploomed him . . .
Hey
To death . . .
Hey

Central Scrutinizer:
This is the CENTRAL SCRUTINIZER . . .
You have just destroyed one model XQJ-37 Nuclear Powered Pan-Sexual Roto-
Ploomer
And you're gonna have to pay for it!
So give up, you haven't got a chance.

Joe:
But I . . .
I, I, I, I, I . . .
I can't pay
I gave all my money
To some kinda groovy religious guy . . .
Two songs ago . . .

Central Scrutinizer:
Come on out son . . .
Between the two of us
We'll find a way to
Work it out
