

## Sy Borg

Frank Zappa

Joe:

Sy Borg  
Gimme dat, gimme dat  
Sy Borg  
Gimme dat, give me the chromium leg,  
I beg  
Sy Borg  
Gimme dat, gimme dat  
Sy Borg  
Gimme dat, give me the chromium leg,  
Little wires, pliers, tires  
They turn me on  
Maybe I'm crazy  
Maybe I'm crazy  
Maybe I'm crazy, mon . . .

Gee, Sy  
This is a real groovy apartment  
You've got here

Sy Borg:  
All government sponsored recreational services are clean and efficient

Joe:  
This is exciting  
I never plooked  
A tiny chrome-plated machine  
That looks like a magical pig  
With marital aids stuck all over it  
Such as yourself before

Sy Borg:  
You'll love it!  
It's a way of life.

Joe:  
Does that mean maybe later  
You'll plook me . . .

Sy Borg:  
If you wish, we may have a groovy orgy

Joe:  
Just me and you?

Sy Borg:  
I share this apartment  
With a modified  
Gay Bob doll  
He goes all the way . . .  
Ever try oral sex with a miniature rubberized homo-replica?

Joe:  
No, ah, not yet  
Ah, is this him?

Central Scrutinizer:

This is him.  
Your wish is his command  
He likes you  
He wants to kiss you always  
Just tell him what you want

Joe:  
Really?  
Hi, little guy  
Think I might get a tiny, but exciting  
Blow . . . job . . .  
Gimme dat, gimme dat  
Blow job . . .  
Gimme dat, give me de chromium cob.

Sy Borg:  
Bend over.

Joe:  
Gay Bob  
Blow job  
Gimme dat, gimme dat  
Blow job  
Gimme dat, give me de chromium cob

Sy Borg:  
You'll love it!  
It looks just like a TeleFunken you-47.

Joe:  
Little leather cap and trousers  
They look so gay . . .  
Warren just bought some  
Warren just bought some  
Warren just bought some  
Hey . . .

Sy Borg:  
Bob is tired.  
Plook me now,  
You savage rascal  
Ehhh! That tickles.  
You are a fun person  
I like you.  
I want to kiss you always.

Joe:  
Gee, this is great  
How's about some bondage and humiliation?

Sy Borg:  
Anything you say, master.

Joe:  
Oh no, I don't believe it  
You're way more fun than Mary . . .

Sy Borg:  
You're plooking too hard . . .

Joe:  
And cleaner than Lucille . . .

Sy Borg:  
Plooming on me . . .

Joe:  
What have I been missing  
All these years?

Sy Borg:  
Too hard

Joe:  
Sy . . .

Sy Borg:  
Too hard

Joe:  
Sy . . .

Sy Borg:  
Plooming too hard on me-e-e-e-e . . .

Joe:  
Speak to me  
Oh no . . .  
The golden shower must have shorted out  
His master circuit  
He's, he's, oh my God  
I must have ploomed him . . .  
Hey  
To death . . .  
Hey

Central Scrutinizer:  
This is the CENTRAL SCRUTINIZER . . .  
You have just destroyed one model XQJ-37 Nuclear Powered Pan-Sexual Roto-  
Plooker  
And you're gonna have to pay for it!  
So give up, you haven't got a chance.

Joe:  
But I . . .  
I, I, I, I, I . . .  
I can't pay  
I gave all my money  
To some kinda groovy religious guy . . .  
Two songs ago . . .

Central Scrutinizer:  
Come on out son . . .  
Between the two of us  
We'll find a way to  
Work it out
