Sometimes when you're not looking he just sneaks up on you. He looks like a cheap sort of flying saucer about five feet across with a snout-like megaphone apparatus in the front with two bi g eyes mounted like Appletons with miniature motorized frowning chrome eyebrows over them. Along the side of his disc-like bod y are several sets of stupid-looking headers and exhaust hoses which apparently propel him and punctuate his dialogue with hor rible smelling smoke rings. In the middle of his head we can se e an airport wind sock and constantly twirling anemometer. The bottom of him has a landing light and three spoked wheels. In s pite of all this, it is obvious that the way he really gets aro und is by being dangled from place to place by a union guy with a dark green shirt up in the roof who is eating a sandwich (pi eces of which drop off every once in a while and lodge themselv es near the hole where they put the oil in that makes the cheap smoke).

He hovers into view and speaks to us thusly...

Central Scrutinizer:

This is the CENTRAL SCRUTINIZER...it is my responsibility to en force all the laws that haven't been passed yet. It is also my responsibility to alert each and every one of you to the potent ial consequences of various ordinary everyday activities you mi ght be performing which could eventually lead to *The Death Pen alty* (or affect your parents' credit rating). Our criminal ins titutions are full of little creeps like you who do wrong thing s...and many of them were driven to these crimes by a horrible force called MUSIC!

Our studies have shown that this horrible force is so dangerous to society at large that laws are being drawn up at this very

moment to stop it forever! Cruel and inhuman punishments are be ing carefully described in tiny paragraphs so they won't conflict with the Constitution (which, itself, is being modified in order to accommodate THE FUTURE).

I bring you now a special presentation to show what can happen to you if you choose a career in MUSIC...The WHITE ZONE is for loading and unloading only...if you have to load or unload, go to the WHITE ZONE... you'll love it...it's a way of life...Ha, ha, ha, ha...Hi, it's me, I'm back. This is the CENTRAL SCR UTINIZER...The WHITE ZONE is for loading and unloading only...I f yah gotta load, or if yah gotta unload, go to the WHITE ZONE. You'll love it...it's a way of life. That's right, you'll love it, it's a way of life, that's right, you'll love it, it's a way of life, you'll love it. This, is, the CENTRAL SCRUTINIZER!
