Frank Zappa

Howard: This is neat!

Jeff: Spending a night in the motel

Howard: This is about the neatest Holiday Inn I've seen in days
. The rooms are in Foon's name, hey? Look at that, wild coyotes
!

FZ: Ha ha ha ha!

Mark: Okay, uh, you guys are gonna wait while I go in and check
?

FZ: Yeah, you're the straightest looking member, so

Howard: Really, why don't you go in and see if you . . .

Mark: Yeah, man, right over there, right behind that car

Howard: Singles!

Mark: They're already set up that way, sure

Howard: Oh. Good.
