

# Tuna Fish Promenade

Frank Zappa

This town  
This town  
Is a Sealed Tuna Sandwich  
Sealed Tuna Sandwich  
With the wrapper glued  
It's by baloney on the rack  
It goes for 40 cents a whack  
It's just a place for us to play  
To help us pay  
The cost of the tickets back to L.A.  
The cost of the tickets back to L.A.  
The cost of the tickets back to L.A.

All the people in the Sandwich Town  
Think the place is great  
What if part of it's crumbling down?  
Most of them prob'ly won't be 'round . . .

They'll either be dead  
Or moved to San Francisco  
(Where everybody thinks they're Heavy Business . . .  
But it's just a Tuna Sandwich from another catering service . .  
.)
