Although you don't want me no more  
Oh, but it's alright, alright with me  
'cause you know, you're gonna want me some day  
Yes, you will want me, and I'll run away

Oh Valarie, (Valarie),  
Valarie, (Valarie),  
Valarie  
Dont you want me, dont you need me

Valarie,  
Valarie,  
Valarie,  
Valarie

Although you don't want me no more  
Oh, but it's alright, it's alright with me  
'cause you know, you're gonna want me some day  
Oh you will want me, and I'll run away

Oh Valarie, (Valarie),  
Valarie, (Valarie),
