

What Will This Evening Bring Me This Morning

Frank Zappa

What will this evening
Bring me this morning?
What will this evening
Bring me this morning?
Dawn will arrive
Without any warning

What will I say
The next day to whatever
I drag to my hotel tonight?
(If things go right!)

What will I say
The next day to whatever
I drag to my hotel tonight?
(Will she be outa-site?)

What will this evening
Bring me this morning?
What will this evening
Bring me this morning?
A succulent fat one
A mod little flat one
Maybe a hot one (to give me the clap!)
Maybe a freak who gets off with a strap

What will I say the next day to whatever I drag to my hotel tonight?
(What will I say the next day to whatever I drag to my hotel tonight?)
If things go right!
(If things go right!)

What will I say the next day to whatever I drag to my hotel tonight?
(What will I say the next day to whatever I drag to my hotel tonight?)
Will she be outa-site?
(Will she be outa-site?)

What will I say the next day to whatever I drag to my hotel tonight?
(What will I say the next day to whatever I drag to my hotel tonight?)
If things go right!
(If things go right!)

What will I say the next day to whatever I drag to my hotel tonight?
(What will I say the next day to whatever I drag to my hotel tonight?)
Will she be outa-site?
(Will she be outa-site?)

What will I say the next day to whatever I drag to my hotel tonight?
(What will I say the next day to whatever I drag to my hotel tonight?)
If things go right!
(If things go right!)

What will I say the next day to whatever I drag to my hotel tonight?
(What will I say the next day to whatever I drag to my hotel tonight?)
Will she be outa-site?
(Will she be outa-site?)

What will I say the next day to whatever I drag to my hotel tonight?

(What will I say the next day to whatever I drag to my hotel tonight?)
If things go right!
(If things go right!)

What will I say the next day to whatever I drag to my hotel tonight?
(What will I say the next day to whatever I drag to my hotel tonight?)
Will she be outa-site?
(Will she be outa-site?)

What will I say the next day to whatever I drag to my hotel tonight?
(What will I say the next day to whatever I drag to my hotel tonight?)
If things go right!
(If things go right!)

What will I say the next day . . .
