

## Yo' Mama

Frank Zappa

Maybe you should stay with yo' mama  
She could do your laundry 'n' cook for you  
Maybe you should stay with yo' mama  
You're really kinda stupid 'n' ugly too  
[repeats]

You ain't really made for bein' out in the street  
Ain't much hope for a fool like you  
'Cause if you play the game, you will get beat

Maybe you should stay with yo' mama  
She could do your laundry 'n' cook for you  
Maybe you should stay with yo' mama  
You're really kinda stupid 'n' ugly too  
And  
You should never smoke in pajamas  
You might start a fire 'n' burn yer face  
Maybe you'll return to Managua  
You could go unnoticed in such a place
