

# You Didn't Try to Call Me

Frank Zappa

You didn't try to call me  
Why didn't ya try, didn't ya try  
Didn't ya know I was lonely?  
No matter who I take home  
I keep on callin' your name  
And you . . .  
I need you so bad  
You're The One, babe

Tell me, tell me  
Who's lovin' ya now  
'Cause it worries my mind,  
And I can't sleep at all  
I stayed home on Friday  
Just to wait for your call  
And you didn't try to call me

Why didn't ya try, didn't ya try  
Didn't ya know I was lonely?  
No matter who I take home  
I keep on callin' your name  
And you . . .  
I need you so bad  
You're The One, babe

Tell me, tell me  
Who's lovin' ya now  
'Cause it worries my mind,  
And I can't sleep at all  
I stayed home on Friday  
Just to wait for your call

I can't say what's right or what's wrong  
But I love you  
All ya gotta do is call me, babe  
'Cause I want you

You make me feel  
So excited, girl  
I got so hung up on you  
From the moment that we met,  
That no matter how I try,  
I can't keep the tears  
From running down my face,  
I'm all alone at my place

You didn't try to call me  
Why didn't ya try, didn't ya try  
Didn't ya know I was lonely?  
(Baby . . . )  
Why didn't ya try, didn't ya try  
(I say, please!)  
Didn't ya know I was lonely?  
I stayed home all afternoon, man  
I was working on my car  
I fixed the upholstery  
I fixed the seat so it would tilt back

We were going to go to the drive-in  
And you didn't call me, man  
I waited, it was Friday night, I remember, man  
It was nine o'clock and I was sitting on home  
I was still watching television and you didn't try to call me  
We'd been going steady for six weeks  
And . . . I thought you were my teen-age thrill  
I thought you were my teen angel, man  
But you didn't call me  
I dig you so much, man, why didn't you call me  
If you could have seen me in the afternoon  
I was hung up, I even washed the car  
I, I reprimed the right front fender, man  
We were gonna go, we were gonna go out  
And get some root beer afterwards, man  
(Baby!)

And I was gonna show everybody my new carburettor  
(Baby!)

And you didn't try to call me  
(Girl!)
