

Don't Be Mad

Frankie

[Hook]

Dont be mad, cause i set your sh*t on fire, dont be mad cause you
r a f**king liar

Dont be scared cause i broke the windows out your car

Dont be mad need to be glad that im still f**king with you

Never thought that i could be straight up mother f**king crazy

Oh yeah its just like that chick that will get you back

If you f**k around im a beat you down

Im a do what i do best

If your with some chick trying to pull a trick you might catch
one in your chest

[B]

Aint nothing like a girl in love f** king round with a straight
up fool

You see no im not the one i f**k chicks up for fun and im still
not goin be mad at you

Listen up real good yeah boy you better play with this here toy
Dont think that you got it like that im in control better watch
your back

If you f**k around im goin tear u down im goin fill your life w
ith stress

If i catch a ho coming thru your door im a woop her like the re
st
