

HIM

Frankee

It's so emotional, what im feeling
I never been caught between a hard place and a rock
I know shes cheating and i want to have him, but shes my friend

[Hook:]

I know that shes my girl. i know that hes her man
But im dreaming of a stormy love affair
Plus she does him so wrong, i want to treat him right
I know that shes my girl, but i wanna be with him

Shes not in love with him. hes a hobby
And i wanna be the one to make him happy all the time
Were a perfect fit, but i know it just wouldnt be right

[Hook]

[Break]

I'm faced with a dilemma. dont want to lose my girl
I dont know what to do
But i wanna be with.....

[Bridge:]

Him...hes sexy
Him...hes classy
Him..he fits me him..cause i wanna be with
Him...i get along with
Him...we should be more than friends, is it just what it is
