

How You Do

Frankee

I dont need to be
The one that walks around
Without a smile on my face, dont need a frown on my face
I dont care bout yesterday
Threw all my numbers away
Ever since you came to me, showed me the things i could not see

Baby now youre the one who understands. out of all the guys i met
You make me smile every time you get close my emotions run away
How ya make me feel this way, i dont know but boy i think you've
Got me

[Book:]

I'm not beefin
I'm not fussin
I'm not stressing you
I'm just sayin is i'm open off of how you do

I'm not buggin
It feels so good when i'm touching you
All i'm sayin is i'm open off of loving you

I never have to wait-wait for you to call
Cuz all of the silly chicks you're used to
Cant come close to me at all
And there aint neva been a time
When you would not ride for me
Cuz i'll be the one to wash your hair
Be everything you need

[Bridge:]

I never thought that everyday could be a sunny day
But baby since you came into my world
I have something i can celebrate
