

Galactic Chicken Shit

Frankenstein Drag Queens from Planet 13

Paranormal chicken geek,
Hailing from the planet 13.
Genderbending galactic freak,
A Sci-fi lobotomy.
Greasy chicken, circumcision,
Pluck the feathers out of me.
Super fragile lip-stick leader,
A Robotic enemy.

Galactic, chicken shit,
Galactic, chicken shit,
Galactic, chicken shit,
Galactic, chicken shit.

Transvestites and colonies,
Infect the other human beings,
Cross-dressing, maggot-infested,
Dry that snot up on your sleeve,
Radiation, masturbation,
Candy at the chicken fair,
Super-sonic, chronic vomit,
A Barb-wire cock ring.
