I Wanna Rot

Frankenstein Drag Queens from Planet 13

Hey, Hey I want to decay,
I Wanna rot in my grave,
The rotting flesh, I Love it to death,
Wouldn't have it any other way

Yeah, Mother fuckers, Put me six feet under, Give me what you got, I wanna rot

Bury me with the rest,
So I can rot along with best,
A tisket, A tasket,
A cold corpse in a fucking casket
